## Permission to participate in clubhope™

<https://clubhope.org/>

Dear Friends of clubhope™,

The mission of clubhope™ is to spread awareness and facilitate communication on the topics of good mental and physical health, substance abuse, alcohol abuse, and other pervasive issues. This youth movement was created from the 501(c)(3) nonprofit Give America Hope which is located in Frederick, Maryland.

### Program Description and Objectives:

Club members will present preventative educational materials, lead discussions, and develop ways to promote positive change and wellbeing by disseminating information to their peers, families, and community members. Participants may appear in ads, photographs, educational videos, and presentations that might be featured in various social networking platforms and news articles.
